

Public Comment Open/Closed Session Items

This is the opportunity for members of the public to address the Board on subjects within its jurisdiction, whether or not on the agenda for this meeting. The Board reserves the right to reasonably limit the length of individual comments, and/or total time allotted to public comments. Speakers may request their comments be heard during Public Comment instead of the time when the item is to be acted upon by the Board. The Board may ask questions but may not take action on items addressed during the Public Comment period, except to direct staff to prepare a report or to place an item on a future agenda. If you desire a written response, please provide the secretary with your mailing address.
